Limited-time offers: **2-Year Internet Price Lock:** Valid in wired service areas only for new residential customers who complete a BendBroadband Bundle with qualifying Internet, TV and phone service (core services). Existing customers must add a new qualifying line of service. Price lock applies to core Internet services only. After 24 months, standard rates will apply. Offer(s) not available in all areas, and is subject to change without notice. Certain restrictions apply. If customer terminates the bundle or any individual service that is part of the bundle, price lock is void and promotional pricing may no longer apply, and standard data limits will apply. Customers with delinquent accounts are not eligible. Prices do not include federal, state, or local taxes and fees. Equipment charges, which may apply, are additional. **TDS TV+ 1-Year Discount Offer:** \$20/mo. discount: Offer valid for residential customers who complete a qualifying TDS TV+ bundle with TDS TV+, high-speed Internet, and/or phone. TDS TV+ must be a newly added service to qualify. Discount is for 12 consecutive months. After promotional period, standard rates apply. Professional Installation includes installation of the TDS TV+ Receiver, wireless access point, and up to ten wireless receivers. Installation charges may apply if additional receivers are needed as determined by the technician at the time of installation. Offer(s) not available in all areas, and are subject to change without notice. Certain restrictions apply. If customer terminates any individual service that is part of the bundle, discounts are void. Customers who previously took advantage of a TDS TV+ bundle promotion and those with delinquent accounts are not eligible. Prices do not include DVR storage fee, Internet service, or required equipment fee, federal, state, or local taxes and fees. Installation fees may apply. **1 Free TDS TV+ Receiver for 12 Months Offer:** Limited Time Offer. Valid for qualifying residential customers who add new TDS TV+ service with Explore programming to TDS Internet and/or Phone service. After 12 months, you will be billed \$6/mo. for the TDS TV+ receiver, unless you call to cancel. Delinquent accounts are not eligible for this offer. If customer terminates the bundle or any individual service that is part of the bundle early, discounts are void. **TDS TV+:** Wireless TDS TV+ Receiver signal quality/range may vary depending on interference, obstructions, and home construction. If signal quality/range is not sufficient, additional wiring may be required. A minimum of one receiver and a maximum of ten receivers are allowed per account. A DOCSIS 3.1 modem is required, and in order to use the TDS TV+ Receiver over Wi-Fi, you must have a wireless router with 802/11ac Wi-Fi. Normal fees apply. All prices, packages and programming subject to change without notice. Some channels are not available in all areas. Sports programming is subject to in-market availability and blackouts. Streams are utilized and provisioned over your internet connection. Bandwidth may restrict the resolution and the number of concurrent TV streams delivered to home; impacting the number of programs a customer can watch at the same time. Customers electing Standalone TDS TV+ service will be limited to 5 streams over TDS TV+ Receivers before video signal is impacted. Equipment provided by BendBroadband must be returned upon termination of service or unreturned equipment charges will apply. Return shipping charges may apply. TDS TV+ may not be available at all BendBroadband service locations. **High-Speed Internet:** Availability varies and speeds shown may not be available at all service addresses. Certain speeds are only offered in areas served by TDS Fiber. Speed ranges shown are expressed as "up to" to represent network capabilities between customer location and the TDS network. Most customers can expect to receive a stable speed within the range of the product purchased as allowed by the quality and capability of the connection; however, actual speeds experienced by customers vary and are not guaranteed. Some customers may receive lower than the indicated speed range. Speeds vary due to various factors, including but not limited to: distance from switching locations, network equipment, delivery technology, and external/internal network conditions. Speed tests may produce inconsistent results due to various factors, including the speed test program or website used, the number of devices connected to the customer's modem and whether the speed test is conducted over Wi-Fi. Customers that are not receiving the indicated speeds may cancel their service or downgrade to a lower-speed service without any termination or switching charges. Otherwise, a \$15 service charge will apply to existing customers who switch plans without increasing speed or adding qualifying service. Additional equipment may be required and charges may apply. In order to maximize Internet speeds above 100Mbps, a gigabit wired Network Interface Card (NIC) and/or a more advanced wireless NIC, preferably 802.11ac or higher is needed. Monthly data usage allowances vary by plan. Additional fees may apply for data usage beyond the included monthly allowance. Monthly usage allowances do not apply to customers with qualifying video and data service. For additional information, see the Subscriber Agreement at [bendbroadband.com](http://bendbroadband.com). **TV Everywhere:** Requires a [bendbroadband.com](mailto:bendbroadband.com) email address and Internet access. Customer receives TVE access to channels in their TDS TV+ subscription. Type and amount of content available for each network is determined by network, and subject to change. Use of parental controls can restrict or filter programming available. **Phone Service:** For residential customers and requires a Multimedia Modem supplied by BendBroadband. Service is power dependent. International, operator- and directory-assisted calls are not included. Third-party collect calls not allowed. Caller ID service requires a compatible phone or device. One-time phone installation charges may apply. Delinquent accounts may lose service. Certain services not available in all areas. Price may vary by serving area and is subject to change without notice. Services subject to Bend Broadband Subscriber Agreement at [bendbroadband.com/agreement](http://bendbroadband.com/agreement), TDS Privacy Policy at [bendbroadband.com/privacy](http://bendbroadband.com/privacy), and Acceptable Use Policy at [bendbroadband.com/use](http://bendbroadband.com/use).
